2. VISIONING

Q: What is the Highest Vision or Highest Ideal for Center for Spiritual Living Tucson?
A: All together, unity @ home; Blue sky, sun, the word ALL, kindness and cooperation; Image of a pyramid with an eye on top, grounded and all seeing; A safe and accepting place where people can be themselves and grow with loving support and encouragement. Heard the Y-M-C-A song as C-S-L-T; A safe gathering place for all that come; Wholeness and integrity within all interactions.

Q: What changes, evolves, or becomes in support of this highest vision?
A: We relax into our wholeness, no more physically fractured; No more physical 'distraction', but focus on the most important -- Our Spiritual Center; Playground with swings and merry-go-round; my fear, as I am part of it all; Synthesis, convergence, coagulation (in a good way); flour and water become roux, changed and improved; Heard Frozen song, "Let It Go, Let It Go, Can't Hold It Back Any More"; Be and let others be, Saw plant breaking through soil and sprouting; A permanent home; Each works on self and with one another.

Q: Is there anything else that wants to be known, understood, or realized? What else?
A: Gratitude for the grace of our space now; Words reveal the Spirit; LET (as all perceived boundaries disappear); Truth is spoken here, wholeness lives here and expresses here; Saw a javelina pack cross the road together; Namaste; Do it all in and with joy. Smile.

Eight members of the extended Leadership Team are included in the 20 contributors who contributed 80% of the designated contributions during 4Q 2014. The 80% line is $600 for the quarter.

In some ways, this quarter compares favorably with last quarter. Eight leaders are major contributors. Curiously the amount needed to be considered a contribution leader dropped to $600 for the quarter, or $200/month.

Last quarter, 20 contributors (6 of whom are from the 22 leaders), contributed 80% of the identified contributions. Each contribution leader contributed $680 or more in the 3rd quarter, or at least $227/month

8. Review of Old Business

	Report	Decision/Action
a. Updating Outputs from Team Lead Mtg, October 30	Lynden to provide total package to Team Leads by early 2015. Discussed that TLs did not need information to write their parts of the annual report.	Done

BOARD OF TRUSTEES

December was a month for reflection and anticipation. We worked through a draft of the 2015 budget and began working with our Teams in preparation for the Annual Report which is discussed at the Annual Meeting. There was much to be proud of last year.

We also reviewed the Sacred Service Hours estimates at the last meeting and adjusted them as best as we could. Currently, we average 436 hours each month in volunteer time making allowing our Center to resourceful and supportive of our congregants. That's something to be very proud of for us all.

We continue to offer Angel Card to those who are observed performing admirably in service to our organization. If you haven't been into the office and seen the big angel on the wall – stop in. The angel is outlined and then being filled in with copies of Angel Cards – another testament to the volunteerism and wonderful spirit of our Center.

We continue to recruit for new board members to fill open slots. There are two positions yet to fill.

Special thanks to Janis Farmer who has been accumulating and weaving together the various team, circle and core reports resulting in a draft Annual Report for review at the January meeting. We are fortunate to have Janis' service and are blessed with her knowledge and experience with the Center's processes and teams.

We will be saying goodbye at this upcoming meeting to intrepid board members who have offered so much during the term of their service:

- Kevin Clardy has been on the board for and served as the chairman of the MarComm committee. His steadfast attention to the newsletter has been so appreciated by the 150+ who open the newsletter each week. Thanks Kevin for bringing your 'A' game, wisdom and heart to our Board. We are grateful.
- Pat Masters has served on the board for her second time; and is retiring as our treasurer. She has done a wonderful job of helping to see us through a time of better organization around our bookkeeping services and detailing of our financial information. We have also benefitted from her liaison relationship with The Gregory School and her willingness in the last year to be the 'opening' person for most every Sunday Celebration allowing the CIAB to be distributed weekly among two board members. Pat's heart for the Center is appreciated and her can do attitude and spirit will be missed.

If you know of someone interested in Board service, please see any board member or Reverend D.

Compassionate Heart
The total for December 2014.
CALLS, 6 E-MAILS, 6 CARDS, 3 HOME VISIT, 1

The last day for the YOTO DRIVE was December 7, with a lot of donations! In summary, our congregation showed great support with their donations. I decided not to micromanage, so I don't have a count of how many gift cards we received, just that there were many!

Our team helped to support the Holiday Lunch on the 14th with some decorations and tablecloths for all tables.

Total volunteer time = about 29 hours.

Board Minutes

January 15, 2015

Absent: Rev. Donald Graves

Pat prayed us in at 1:55. Minutes from December 2 meeting were approved.

OLD BUSINESS

1. Britt is looking for several co-chairpersons for the "Tucson's Youth Rocks" concert, which will be held during the Spring of 2016. The Board needs a new event proposal no later than April 2015.

2. Britt suggested that we remove the current insert regarding Corporate Matching Donations in the Bulletin, restarting it in September 2015. Britt suggested the following wording, "Does your Employer match your contribution? Many companies show their support for non-profit organizations by matching employees' gifts in various ways. You can increase your gift by filling out your employer's matching gift form."

3. Arvel Byrd's concert will be held at the church office @ 2pm on February 22, 2015. Pat will contact The Gregory School to cancel Nickerson Hall for that event. David Prouty is looking for someone to help with tickets and has arranged with the Office for advertising, etc.

4. Since there was nothing done about updating the database, Britt suggested we do that in February. That will include a form to be put into the Newcomers' packets, a script for the Sunday Hosts, and a form put in the Sunday bulletin for congregants who want to participate and information in the newsletter.

5. Prosperity Plus participants will be giving testimonials during the first Sunday of each month. These three-minute talks will be video-taped, to be included on our Web page. Shelly Dunn, Chris Wheeler, Jack King will be the first three participants to share their successes.

6. On March 15, May McCarthy will be speaking during the Sunday service, and holding a workshop at the church office following.

7. There are plans to be announced regarding the second Prosperity Faire to be held in March.

NEW BUSINESS

1. The Annual Meeting will be held January 25 at the church office. Congregants are invited to bring a Brown Bag lunch. End-of-year reports will be presented from each group.

Next meeting will be February 3, 2015 @1:30 pm.

Respectfully submitted,
Pat Masters

HOSPITALITY TEAM

Total: 31 hours (usually 7 hours for a regular Sunday and 10 for a potluck Sunday, included in total is time spent during the week shopping, etc.) Reported by Alan Hutton.

VISION CORE

CSLT Vision Core Notes, January 8, 2015 6:30pm

Attending: Leah Hamilton, Barbara McGill, Janis Farmer, Anna Mello (virtual), Rev Donald (virtual)

What is the highest vision, the highest ideal for CSL Tucson?

An open-hearted flow, like a river in a land of milk and honey; The space in between **”_____”,** the thought the word, the still small space, , before the next breath, Emanating: love Glimmering: light; Radiating lines, Great Joy; Saw an elevator with familiar CSLT leaders/members on it. At each floor new and some familiar people came on, elevator kept going up.....more people getting on at each floor....easily, joyfully, welcoming. Instead of getting uncomfortable and stuffed, the elevator just naturally expanded in size; Self-Empowerment, so that each expresses his/her true self.

What changes, evolves, becomes, moves aside or releases for that vision to come into being?

Discussion and frankness re: building and welfare; Creation, The Pause, From Nothing comes Everything, joyful bubbling delicious, CSLT is the space, the center, the pause that allows; Many hands working together to open a large mechanical aperture; "Recognize and Synchronize to the energy of your true heart desires", Lovingly know and speak your truth.; Self-Recognition is done with loving compassion.

Is there anything else that wants to be known?

Stripping corn off a cob--going out of the comfort zone; Peace, feel it, Be it, As You Like It; Its already done, we just need to see it; Keep focus on your own Divinity! The more you get intimate with yourself, the more you see and know the same truth in others. Heard Amy Steinberg's song: Intimate with the Infinite; "Rock ON, Baby. You got what it takes!"

Note: February Vision Core will meet @ 6:30pm on February 5th.

Submitted, Rev D, Board Liaison

10 New Business for This Meeting

1. Prosperity Testimonial for February’s Potluck Sunday? In Pat's absence, we believe the next testimonial is Jack King. To be confirmed.
2. New Board Orientation Retreat Dates & Leadership Retreat Dates. The new board will convene immediately following the Annual Meeting to elect officers and handle the Background Check data collection. Two potential dates have been identified for Board Retreat (2/20-2/21 or 2/27-28), depending on availability of Marie Miyashiro, facilitator, and the Board members. Potential dates have also been identified for the Extended Leadership Social (3/20-3/27) (before the Community Envisioning) and working meeting (4/24 or /25), aka Team Lead Retreat, following the Community Envisioning.
3. Logistics for the Volunteer Breakfast. Reconfigured as a "Jammin' Ice Cream Social" for the evening of June 5th. There is insufficient Bandwidth in the existing Board at this time to manifest the Volunteer Appreciation Breakfast now. Later, when the new board is in place, this event will be able to be given the treatment it deserves. Anna to confirm that the Orchestra and the Singin' Sistahs will be available to play. Topic to be revisited in March or April.
4. Senior Minister Annual Evaluation. Conversation scheduled for a breakfast meeting on Feb 7th. Kevin to send Rev Donald the form from last year.
5. Ends Statement and Dashboard. Board received the Draft Ends statement. Discussion deferred until the new Board Members are in place and individuals have a chance to consider and discuss the information that wants to be contained in this document.

Idea of 'Dashboard' will need to be worked at the Board Retreat, and perhaps beyond. The question: What's our next big goal or big goals? What metrics work to capture and describe progress toward that/those goals?

6. Proposals for Arvel Bird House concert February 22 (50:50 split of proceeds of the concert with Arvel, tickets $15 ea) and CSLT booth at Tucson Festival of Books presented and approved.
7. Request from Funding Team for Bulletin Insert to allow individuals to update their contact information. Discussion: Agreement that the Office will do so on a regular rotating basis through a special bulletin insert.

11 New Business Items for Next Meeting

Nothing additional, other than what came up during this meeting.

[Reminder for Janis: We have agree to cover Dr John's lodging when he comes to facilitate our Community Envisioning in April.]
