“Zen” Cowboy

HOUSE CONCERT

WITH CHUCK PYLE

"Chuck is the whole package...melodic singing, witty lyrics and GREAT boots." *Minnesota Public Radio*

"This is sophisticated western music with its slightly jazzy gypsy guitar swing."

"His singing is nakedly beautiful, the guitar work flowing and complex. His honesty and lyrical invention are easy to miss on the first few passes."

"Calm, timeless music, the flow of Pyle's music will make the perfect romantic evening, or bring back to you memories of those wonderful moments when love is everything, when everything seems possible, when the sky is the limit, beyond the affected moon, beyond your dreams."

"Chuck Pyle's written an all-time favorite song of mine. We play Cadillac Cowboy most every night."

—Chris LeDoux

"His music makes me
lonesome for places that
I've never been."
