REV JANIS

Executive Summary: Contributions and attendance continued to be down in June. All bills were paid on time.

The Board has agreed to sustain and hold the vision of increased attendance by individuals willing and able to participate (in all ways and in many levels), this allows us opportunities to expand our reach in Tucson as well as enhance our financial stability, giving us greater latitude in moving forward on making use of our property on 22nd Street and/or finding a new interim location.

Discussion continues around economics of hiring an office administrator. Until CSL Tucson can sustain \$12,000/month we do not have funds available to have paid office staff. Volunteers continue to assist with office tasks, the remaining duties are not terribly time consuming.

VISION CORE

Vision Core Notes, 5 July 2018, 6:30pm

In person: Chris Wheeler, Marya Wheeler, Barbara McGill, Rev Janis Farmer

Virtual Participants: Anna Mello-Lewis, Christina Reed

What is the highest vision, the highest ideal, for Center for Spiritual Living Tucson?

Saw a building in the shape of letter V with a bright yellow light at the point and illuminating multi colors coming out of each side.; Spreading Joy; Tortoise, summer growth, Jethro Tull song, "Singing All Day"; Large campus, four buildings) behind a fence, adobe buildings, purple letters being hand delivered *a la* Harry Potter; Open crater, blossoms flourishing; Skill-building, purging old form, supporting breakthroughs, what new form/structure for 'church'? What could we/it be?

What changes, evolves, becomes, (releases, moves aside, ...) as this vision comes into being?

Let it go, Let it flow, sit back and know. Saw curtains being opened and looking outside at beautiful, bright mountain scenery.: Fields of Flowers; River flow, relax, colorful flowers, petroglyph of a man, hole in the dirt, a kiva; Cycles: settled--> whirlwind-->settled--> whirlwind...; Wide open spaces, the 'void' of space; Evolves, greater freedom, exciting!

Is there anything else that wants to be known?

Saw an angel encouraging a child with gentle nudges saying, "It's alright, you can do it, we're here with you."; Dawn breaking; Lovely still life, pears in a wooden bowl near a window; Peace, purple mountains (Catalinas), orange sky, flow <---> ease; Sunrise, the sound of one person drumming, Love is all there is; More love, acceptance and allowing. We know and accept; we get what we want.
