Q: What is the Highest Vision or Highest Ideal for the Center for Spiritual Living Tucson?

Bright red 1950s pickup truck/sagebrush/owls; Perfect place to meet all our needs; spire high into blue sky with white clouds; guys coming to a meeting; \$\$\$\$ \$\$\$\$ \$\$\$ \$\$\$ \$\$; a home filled with people, music ~ love and laughter.

Q: What must be released, embraced, or become for us to live this highest vision?

Rattlesnake bridge downtown/the monsoons/going through the underpass while a train passes over the top; Lariat rope, empty running shoes after a workout; a windmill; out of the box.

Q: Is there anything else that wants to be known, understood, or realized? What else?

Earthly feelings/ prairie dogs/ desert grass clumps/ the Catalinas looking very blue at dusk; memory bricks; a lone person walking through a gate onto a road; new silver nickel; peace lilies.

CSL Connection Call

Submitted by Linda Bullock

The following information was covered in the CSL Connection Call of June 17 and/or the Weekly CSL Communication of June 20. I am sharing this generally due to information about the Science of Mind magazine.

- The July/August issue of the Science of Mind magazine will be delayed and hopefully received by subscribers in the second week of July. The August 2024 Daily Guides author was unable to fulfill the commitment. Other delays and production setbacks contributed to the delay. Digital editions are available at the beginning of each month; cost is \$14.95/ year. A copy of the July Daily Guides is available online at:

https://scienceofmind.com/wp-content/uploads/sites/16/2024/06/SoM_July2024_Daily-Guides.pdf

- New members of Centers may receive a 6-month free print subscription to the SOM magazine. The necessary information should be provided to Communications at csl.org
- Two events are currently scheduled: 2025 SOAR gathering will take place August 7-10, 2025 in Banff, Canada; the next CSL Convention will be held February 23-26, 2026 in Reno, NV.
- A recent special election for proposed restatement of CSL's Organizational Design Model and Bylaws did not receive a quorum of votes so the vote will be moved to the next convention. (60% of eligible delegates needed to vote for a quorum, but only 49% of delegates voted. 97% of the votes cast were in favor of the proposed restatement. *BTW, I was a delegate and cast my vote.*)
- The sale of CSL's building in Golden, Colorado has not yet occurred but leaders report talks are ongoing and an offer is expected before July.

Vision Core Notes

Submitted Chris Wheeler

What is the Highest Vision or Highest Ideal for the Center for Spiritual Living Tucson?

Telegraph key, single orange, desert bountiful, 911 S Craycroft at night; Rev. Rhoni outdoors after service with many people surrounding her. (Like at David's party). Church in the background. Permanent band set-up. Recording entire service for website and YouTube.

What must be released, embraced or become for us to live this highest vision?

Airplanes, 911 S. Craycroft with great curb appeal and attractive lighting, a feeling of Welcoming and an Invitation to All; CSLT becomes more financially prosperous. Membership grows. Sunflower bouquets.

Is there anything else that wants to be known, understood, or realized? What else?

Koala bear, Rocky and Bullwinkle sunflower sequence, a block of ice, Clouds and a feeling of harmony; Not a smooth and easy road but worth it.
