2. Visioning

Chris

Q1: What is the Highest Vision or Highest Ideal for the Center for Spiritual Living Tucson?

Runway; scent of sweet orange; large circle of people holding hands, Growth, tremors, doors bursting open, change, Sunshine Yellow: Play, Joy, Warmth, Fellowship, Community, expand, connect, Red banner, combine, compassion for all sentient beings - and moving into connecting with new seekers.

Q2: What must be released, embraced, or become for us to live this highest vision?

Bat swinging hitting a baseball for a homerun; spider web, Released: Closed doors, club, Embraced: New thought about how we do things; Play, Changes: more inclusive, welcoming, green plant bursting out of the ground and zooming to great height, Seasons, moving toward the horizon, synergy, yellow splash in the sky like a giant yellow silk, We are a joy-filled spiritual community.

Q3: Is there anything else that wants to be known, understood, or realized? What else?

Feeling of a full heart, Heal thyself, Pain, direction, expecting ease, cohesiveness, peaceful lake, community, Fear is "What If" - Faith is "Even If".
